

After a great week of TV curling last week I am going through withdrawal this week, hope I can make it through to Saturday when it all starts again.....Three cheers for Ken Gregory and his wheelchair team who took the **GOLD** in Huntsville on the weekend in the Ontario Parasport Games. Not too sure if this goes any further but a real big win after losing out in The Provincials. Congratulations to Ken, Jim, Frank and Colindra.....Banquet tickets are available from Barb Dafoe, Russ Gale or Bob Kelsey, details are on the website and the date is April 28th.....The need for bartenders for the Village Inn bonspiel is on again. After thinking all was okay, it seems there have been a few cancellations. Check with the board beside the bar or talk to Karen Nardini.....Rumor has it that a Macgregor Meat fundraiser is on the horizon, check your freezer to see where your inventory stands and get stocked up for the BBQ season with the best meat and deals available through the club. A good fundraiser offering a great product.....The CCA donation program, as offered on the home page of the website, does work, the club just received its first cheque from the CCA for donations made to date. Thanks to those who have donated through this program and to others, if you think you can help the club, check out the website for details.....Thanks also to Carolyn Johnstone and her committee of Barb Miedema and Len Nardini who worked hard all day Saturday to make the Everything Bradford West Gwillimbury mixed bonspiel a very enjoyable day. Although the 'spiel did not fill, they still ran it, and it was enjoyed by all participants.....Although the club got off to a rocky start at the first of the year and incurred some long term debt; through great support from its members, some good rentals, good decisions and hard work by its directors it looks like the year itself has been very successful financially and should allow us to meet our obligations for the year. Give yourself a pat on the back.....Have sent out a few emails today; Dominion Insurance, wish list and ladies bonspiel, and have been getting some good feedback thus far. Please take a look at these and get back to me if they concern you, we need your responses. Some real good thoughts on the 'Wish List' and I will have some good ideas to take to the Directors.....Until next time, there are many ways you can help the club through volunteering, if you feel you have a talent or time to make things better, please, please let me know.
