

Seems like it was just yesterday when I sent out the last ATH, but a few things have been brought to my attention or come across my mind, so here we go.....Carolyn Johnstone has written a summary of the recently held Leads and Seconds, which can be found on the website home page.....The Tuesday Day Ladies has gone to a jitney style of play for the balance of this draw, all female members are invited out to take part on Tuesday mornings. Play starts at 9:00 AM so be there about 8:45 AM to get your name included.....Who is that lady you see every Sunday afternoon upstairs serving up Hot Chocolate and Cookies to the junior curlers, it our own Heather Fudge, who is there faithfully every Sunday. Thanks Heather for making this a favorite with the young curlers each week.....Keep the trend going, teams are still needed to fill the Mixed '**Everything About Bradford West Gwillimbury**' bonspiel set for Saturday February 25<sup>th</sup>, information is on the Bonspiel page of the website or contact Carolyn Johnstone.....For all you curlers who have Rogers Cable don't forget the OCA Tim Horton's Tankard is televised this week on Channel 10, as of right now local favorite and defending champion Glenn Howard sits at 5-0, the only undefeated team.....Our website has a page '**Support Members**' which is meant to put a plug out there for members who have a service they can offer to fellow members. Take a look at the page if you are looking for a service or if you would like your name added, please feel free to let me know, providing a few details of course. It does not cost anything and is a way to let the members know that you do in fact have this service to offer.....Pleased to say the Beginners League has picked up 3 new curlers and is now full. Still could use a few spares for vacations, etc., let Bob Kelsey know if you can help out.....The pot for the Monday CYOR version of '**Jerk the Joker**' will be at least \$ 1700. next week, with the CYOR getting 15%, not a bad payout, still 29 cards left, so it could go on a bit longer.....I am sure everyone knows by now, but just in case you don't. I have felt for the past few years that BCC needed a Manager to go to the next plateau in curling clubs, no I was not looking for a job. Well I had a change of heart last week and wrote up a proposal to serve as Interim Club Manager through until Sept. 30<sup>th</sup>, this was done solely to get the ball rolling and to show the club what I feel can be done by a Manager. If there is anything you would like to see accomplished please let me know.....Until next time enjoy each game you play, in case you are not keeping track there is less than two months left, and Spring is actually in the air, until our first **BIG** snow storm which we all know will come.
