Bradford Curling Club

November 9th, 2012

Vol. 3 - Issue 3

Let's start right away with the news, but the weather is supposed to be **great** over the weekend, don't put the clubs away yet..... It is with great sadness that we pass along news of the death of long time former BCC curler Joe Dol. Joe was a prominent curler in Bradford back in my early days in Bradford, that being the 70's, he was also a noted area businessman, heading up the Dol grass organization. Funeral arrangements are through Abrams Funeral Home in Tottenham.....Some curlers still have not submitted dues for the year, not only is there a \$ 50,00 extra fee but your team is also in jeopardy of losing the game as a result of this.....A members orientation is set for Sunday the 11th at the club, starting at 1:00, come out and see all of what goes on behind the scenes in running a curling club.....Our new website is now up and running, although there were some start up woes, but all is good now. A Facebook page has been added and we will shortly have a Members only page, where some previous information not wanted on an open website will be available.....The beginners league still has some spots open, with play starting on Nov.18. If you would like to join talk to Bob Kelsey.....OCA play has started and entry datelines are approaching, the next closing date is Nov. 16th, when the entries must be in for both the Masters events, Ladies and Mens.....A new publication is in the works, with the advent of a monthly newsletter (BCC News), the first one is set for December. Want something included contact Jen Febel.....Lots of bonspiel action on the near horizon, the Ladies Bonspiel is set to go December 1st and we have several FBA commitments coming up.....The popular Men's CYOR 'Jerk the Joker' fundraiser has started, no winners in week one, but make sure to get your tickets between 8:30 and 9:30 of game day. Perhaps we will see another \$ 3000. plus payout this year.....Going to be adding the logo of one of our sponsor to the top of ATH each time, this edition we start off with Balchen Chiropractic.....Don't forget to think of our sponsors if they supply something you need.....A course is scheduled for next Saturday (17th) at the club, to provide training on our new defibrillator, if you are interested please contact Wally Kemp or Russ Gale.....The Day Ladies are up in numbers this year but still could use several more curlers, contact Anna Royce is you are interested.....It seems those still alive in the NFL Suicide pool are serious about it all, have only lost 4 entries in the past 6 weeks and none for about 3 weeks, good luck to those who are still in it.....Joe Frans and his team, actually the other three from Dale Matchett's former team, will be using Bradford as their home club this year, good luck guys and take us to the Dominion Tankards.....Until next time, for further information on many items mentioned here go to our website and get all the details.
