

What were you doing on this day last year, well you are not golfing this year.....Our sponsor of the week is Home Hardware, who do a great job not only for the club but also for the Men's CYOR. Show them your support.....Take a look at the home page on the website for information on Team Gregory in Ottawa for the National Wheelchair Championship and see how you can follow their progress throughout the week.....Also Banquet plans have been made, tickets are available from all Directors or at the bar.....Those steaks at the Village Inn were fantastic, hats off to the cooks.....Information is also out for the annual Spring golf tournament, see Bill Bennett on this and mark Saturday May 25th on your calendar.....Congratulations to junior curler Jordan Kight who is off to Ashford University in Clinton, Iowa on a baseball scholarship next fall. Way to go Jordan.....The Thursday night version of 'Jerk the Joker' was won this week. Glenn Goshulak, Darren Long, Daryl Pickard and yours truly split \$ 2700., it was down to just 5 cards left in the bucket and the first card picked was the Joker.....Don't want to sound like a broken record, but here it is again, we need new Directors for next year, badly, the board was short in numbers this year and with some terms expiring the numbers are less. If you want information or are interested please talk to one of the current Directors.....On the banquet again, if you have any baskets or gifts you could donate as a draw prize, it would be appreciated. See Russ Gale on this one.....Membership forms for next season will be on the website within a few days, there is a slight increase in dues but the early payment discount has been increased and this will offset the increase if you take advantage if it.....Some people still have not done bar duty, check the list on the kitchen door, or see Sue Dubois, you must do bar duty if you want to have your check returned, otherwise it will be cashed after the season is complete.....Once again the BCC will have a booth at CarrotFest, watch for information as volunteers will be required.....The season is now winding down and playoffs have started in all leagues, the Finals for Sinners and Beginners are tomorrow and all leagues will be done in two weeks. Check the website to see who is still alive. In Ladies play Kendall Balchen will be playing Marie Pearson-Cook for the rights to represent the club in next year's Dominion, while both Men's CYOR leagues are down to the semi-finals.....Too bad about the plight of Team Homan in the Ladies Worlds, did not think they were as sharp as in the Scotties but still could well be in the Final. But can't take anything away from Eve Muirhead, she placed that last rock in a great spot and it paid off with the win.....Until next time, that will likely be from Sunset Beach, enjoy the rest of the curling season and we will see you on the golf course in early May..
