Vol. 4 - Issue 8

Hello, and Happy Valentine's Day, the picture at the top does not reflect the day, rather it's a **Great Big Thank You** to the many Volunteers who last Saturday night spent many hours making Yuk-Yuks the success it was. While the numbers are not in just yet the proceeds will go a long way towards doing some things which need to be done around the club.....A special mention to Anna Royce and her committee, many who were from the Tuesday Day Ladies section, a fabulous job done.....Would anyone who is using club equipment; brooms, sliders and grippers please make sure they are put away after use. This includes putting the blue containers on top of the lockers, these are heavy for the cleaning people to lift. Thanks.....Have you lost something around the club, there is a lost and found box located just inside the door of the ladies locker room, some items have been there for a while and are about to be tossed out, so check it out if you have lost a curling item.....The Village Inn men's bonspiel set for March 7th weekend is full, there are 16 entries now, if you missed out get your team on the waiting list, contact is Joe Moore.....Don't forget the Family Open House this Saturday, Feb. 15th, there will be instructors on hand to help out, bring your children, neighbours and friends, let them experience what a great game we are playing. Equipment will be available and there will be food and refreshments available in the lounge.....Team Gregory took part in the Ontario Wheelchair provincials last week in Ilderton, after a 6-0 round robin record they won the 1-2 page game to advance to the finals. The last game was a classic but our team came up short losing the final and a trip to the Canadians in Winnipeg, they did qualify for the Ontario Winter games, which will be played in Orillia later this month. Ken and his team are one of the tops in Canada and are to be congratulated for their effort.....Another note on Yuk-Yuks, Anna would like to personally thank the sponsors of this event, those who came out and supported it and all the workers who chipped in to make it all go well.....Just because the curling season is well under way does not mean Youth curlers cannot join the program, if you know of anyone who has finished hockey and would like to try the sport tell them to drop by on a Sunday afternoon with Little Rockers up first at 1:00 and the others going at 2:00.....The BCC will play host to both the OCA Men's and Women's Tankards on Saturday Feb. 22nd, with entries on both events, play starts at 10:00 AM.....Until next time, while I do not mind winter and certainly enjoy curling, it is great to see the golf back on TV, the green grass sure looks wonderful.
