

Bradford Curling Club

March 9th, 2016

Vol. 6 - Issue 3

Hard to believe we have started year end playoffs in some leagues already, and if you look at the calendar just a bit over three weeks to go in the season.....At the request of several people we have brought in a couple dozen broom heads, we would like to see them bought by the end of the season, all other pro shop items will be put on a clearance by the end of the week, so keep your eyes peeled on the case.....A "Year End Reception" is planned for Friday April 1st, to coincide with the last night of Mixed curling, tickets are \$ 10.00 each and the night will include a Surprise Special Presentation that you will not want to miss. Only 70 tickets being sold..... As you have heard by now we are having a North Country (Macgregor) fundraiser, to raise funds to go towards the purchase of new arena heaters. So help us out and get your order in no later than Monday March 28th.....Would like to thank all those who helped out at the highly successful Yuk Yuk Night, this event is a lot of work but when all is said and done well worth the effort, a great job by all involved.....Be sure to drop by the club this Saturday to see the young curlers as they take part in the yearly Junior-Senior bonspiel. It is amazing to see the progress these young curlers have made since the start of the season.....Hope you are enjoying the "Tip of the Week" posters being put out around the club, thanks to Lynn and Maria Williamson for putting these out.....Pleased to say that the series of Instructional Clinics held thus far have been a great success, the last one is set to be held on Sunday March 20th. I hope we will see these become a regular season long event in the club..... Just have to get a word in on the Brier, what an amazing field. Hope you are able to catch some of it.....If you are a curler who enters OCA events you might want to take a look at the competition review the OCA has prepared for next season. You can view it online on the OCA home page. Something had to be done but I wish they had tackled it from the angle of how to rebuild the events and not by just accepting what has happened.....Until next time Thank You to everyone who in some way has volunteered this year, looking forward, we do need a few new Directors for next year so if you are approached give it some thought.
