Men's CYOR	Monday Thursday 7:00 & 9:00 PM	Teams are based on a "Choose Your Own" team format. New members can enter a whole team, or as individual who will be placed on a team. Play is on the Monday and Thursday evening with both nights being separate leagues, a curler can play one or both nights. Games are played at 7:00 and 9:00. Depending on the number of teams, teams usually alternate playing at 7:00 one week and then 9:00 the next week.
Mixed - Recreational	Tuesday Friday 7:00 & 9:00 PM	Two schedules each season. House league teams are developed by mixing experienced curlers with beginner curlers. Couples requesting to curl on the same team are accommodated. Both nights are separate leagues. Games are played at 7:00 and 9:00. Depending on the number of teams, teams usually alternate playing at 7:00 one week and then 9:00 the next week.
Open-Social League	Sunday Evening 7:00 pm	This league is based on the mixed format like Tuesday/Friday evenings. It is a social, non-competitive atmosphere. Focus is fun, learning and development.
Juniors	Sunday 1:00-2:00 PM 2:00-4:00 PM	The juniors range in age from 7 years to 18 years old. 7 to 10 years of age throw lighter rocks. Teams are developed mixing the more experienced curlers with the new curlers. Coaches are with the juniors for instructional purposes. Bantam (under 16 years) and junior competitive teams are available. High school students can also curl on the school teams. B.C.C. supplies the brooms and sliders for the juniors. Curlers only need to have clean shoes and warm clothing.
Open-Sunday Sinners	Sunday 10:00 AM	This is a league in which you enter a team made up of any number of male or female players. The number of spares allowed is unlimited, within that team. There are two leagues, Garden Division and Gallery Division and <u>each team plays 8 times a year</u> with no inter-division play. Each team hosts a lunch once a year, served at the club after the game. Game times are 10:00 AM and the day is over by 1:00 PM. Lunches are typically soup and sandwich, pizza, hamburgers, etc.
Men's Day League	Tuesday (noon)	In this fun-to-curl arrangement, teams for each game are selected randomly using a "peg-board" system (i.e.: there are no fixed teams). Two six-end games are curled each day, with a social hour in between. A simple scoring system adds an element of individual competition to the fun and also enables the identification of the day's winners and losers. Winners are rewarded with a small monetary prize and a lot of recognition.
Simcoe Super Seniors (Men's)	Fridays	Every Friday during curling season, Senior men curlers from the Bradford, Stroud and Barrie Curling Clubs get together at one of the clubs, on a rotating basis. With well over 100 participating members in this league, two draws are scheduled at each event (9:30 and 11:00 AM). Two six-end games are played with time out for lunch and socializing between games. During the break, many enjoy a game of Euchre, while others engage in world-problem-solving discussions, while the rest become part of the boisterous audience to the other draw on the ice. Entry fee is \$6 per day per curler. The same team selection procedure and scoring system as mentioned in the Men's Day League are used. The top 50% in scoring are rewarded with a prize, the size of which depends on his individual score over the two games. The day's champion is only rarely the highest caliber curler on the ice. Anyone can turn out to be "The Champ!" All curlers participating in Simcoe Super Seniors must be 55 or over and must be a registered member of one of the participating clubs. Occasional sponsored guests are also welcome.

Bradford Curling Club has implemented a Soft Start policy - the ice will be ready each night at 6:45 and teams are encouraged to start their games as soon as they can in an effort to get the late draw started by 9:00.
