

DEADENDERS GOLF LEAGUE 2025

I would like to congratulate everyone on another fantastic year of golf! Golf went very smoothly this year at Bond Head & Nobleton Lakes. I would like to thank Jon Moses for letting us fill in our missed dates at Bond Head & the league had a blast at your facility, which was immaculate. I want to give a special thanks to our statistician Daryl Pickard for all the mathin' this year. It's a tough job!

We had our final champions crowning at Wing Zone after our round on Sept.18th. Wing Zone has been our league sponsor for quite a number of years & were wonderful again this year! Thanks!

I am proud to announce our league champion, receiving the Champions jacket for 2025, Rick Dafoe!

Congrats Rick!

See everyone next year & thanks for a great year!

Your Commish, Greg.
